Matched Giving Day – Terms and Conditions

Ronald McDonald House South & Central Australia
Thursday 26 November 2026

1. About Matched Giving Day

Matched Giving Day is a fundraising campaign run by Ronald McDonald House South & Central Australia on Thursday 26 November 2026.

The campaign commences at **10.00 am ACDT on Thursday 26 November 2026** and is scheduled to run for 24 hours, concluding at 10.00 am ACDT on Friday 27 November 2026, unless the matching funds are exhausted earlier.

2. How matched giving works

During the campaign period, eligible donations will be matched dollar for dollar by our matching partners, up to a total matching pool of **$60,000**.

This means every eligible donation received during the campaign period can have double the impact, while matching funds remain available.

Eligible donations are one-off donations made through the official Matched Giving Day donation page during the campaign period. Regular giving commitments, sponsorships, event registrations, merchandise purchases and donations received outside the campaign period are not eligible unless otherwise stated.

Matching applies to donations that are successfully completed and confirmed through the campaign donation page during the campaign period. Pledges, incomplete transactions and unsuccessful payments are not eligible for matching.

3. When matching funds are exhausted

If the $60,000 matching pool is exhausted before the scheduled end of the campaign, Matched Giving Day may conclude early.

Any donations received after the matching pool has been exhausted will still be gratefully accepted by Ronald McDonald House South & Central Australia but will no longer be matched.

We will update the campaign website and relevant campaign communications as soon as reasonably practicable to advise donors if matching funds have been exhausted.

4. Campaign extensions or changes

Ronald McDonald House South & Central Australia reserves the right to extend, vary, suspend or conclude the campaign where circumstances require.

Any extension of the campaign period, or material change to the matching offer, will be communicated through the campaign website and relevant communication channels.

Any extension will be subject to the availability and confirmation of additional matching funds. Donations will only be eligible for matching in accordance with the updated campaign details.

5. Donations and tax receipts

Tax receipts will only be issued for donations made by donors. Matching contributions provided by matching partners are not tax deductible to individual donors.

Ronald McDonald House South & Central Australia is a Deductible Gift Recipient (DGR). Donations of $2 or more are tax deductible.

A tax receipt will be issued following a successful donation.

6. Privacy

Personal information collected through Matched Giving Day will be handled in accordance with the Ronald McDonald House South & Central Australia Privacy Policy and applicable privacy legislation.

Donor information will be used to process donations, issue receipts and, where consent has been provided, communicate updates about our work and future fundraising activities.
